## ~Presidents Message~

Hot! Hot! Hot! There is some time in the mornings to sneak in a hunt. There are many shady areas but I still find more treasure in sunny areas. What's up with that?

The Stadium hunt was attended by seven club members finding at least 8 rings, a pile of change, and a variety of other stuff. The best find was made by Dan Craven.

Free raffle ticket for showing your July finds. The guidelines are that your finds were found in July and, as always, have a story to go along with them.

See you August 4<sup>th</sup>. Maybe Dan will tell about his Stadium find.

~Bob Clark~
