~Presidents Message~

The summer season is upon us, or so the calendar tells us. WhatzUp! with this weather. Hope to see all the treasure you have collected this month. Along with the regular show and tell, the June meeting will have members showing their long-time collections. Whether it is bottles, jewelry, spoons, rocks, thimbles, or the county's largest ball of tin foil, bring it in and show off your passion. Also, the treat for the night is Root Beer Floats. Hope to see you out there.

~Bob Clark~

June is Root Beer Float Night

Junes club meeting is the clubs annual root beer float night. So be sure to attend and enjoy a refreshing root beer float and show and tell.

T^{SAN JOAQUIN VALLEY}
TREASURE HUNTERS
METAL DETECTING CLUB

Founded in 1975 by various metal detectorists and prospectors, The San Joaquin Valley Treasure Hunters is backed with many years of treasure hunting experience.

San Joaquin Valley Treasure Hunters participates, promotes and encourages the hobby of treasure hunting throughout California's great central valley as well as worldwide through the exploits of its membership.

Through our commitment, experience, and expertise, The San Joaquin Valley Treasure Hunters has established a reputation for fun, fellowship and finding treasure!!!

Be sure to join us every First Tuesday of the month at the American Legion Hall on the Corner of 4th and Woodworth in Clovis, California.
