## ~Presidents Message~

Wow! What a great display by **John** and **Dan** who spent many days at the Clinton and Fresno Street Project. As shown, persistence pays off with 1<sup>st</sup> and 2<sup>nd</sup> place for "Show of the Month". Silver, Wheaties, relics, jewelry, . . . Way to go!!! **Dave** and **I** also presented with a beach and urban theme. And, thanks to **Tina** and **Art** for the yummy goodies. You can do that again, OK?

It has been nice weather for detecting this month. Bring in your display of finds and receive a complimentary raffle ticket. Some have won silver with it.

**March is Chili and Cornbread Month.** Bring your favorite recipe of Chili and your favorite cornbread makin's. We'll chow down right after the introductions.

**The April club hunt** is scheduled for Saturday, April 17<sup>th</sup>. More details to come.

See you Tuesday March 2<sup>nd</sup>.

~Bob Clark~

*Tip of the Month: Don't wipe the serrated side of your digging tool with the palm of your hand. (Duh)*

The next club hunt is tentatively set for April 17, 2010 at the Sportsmen Club. Be sure to attend the next club meeting for more details.

## Hospitality

Thank you to Tina and Art (More Tina though) for the treats at the Feb meeting.

**March's meeting will be the clubs annual Chili and Cornbread feast. So as Bob said bring your favorite chili, cornbread or side dish.**

## Bring in those finds

At the July meeting the club voted on a new club policy where members that show their finds get a free raffle ticket. The only rule is that it was found in the month previous month. So come on bring in those finds. It doesn't matter what you found, we want to know!

(Don't Cut out this ticket, its just a sample)

## WESTS TOKEN JAMBOREE 2010

I received a letter in the mail addressed to the club from the Western States Token Society letting us know that the Western States Token Society will be holding its annual Token Jamboree in Sacramento, California on March 13th and 14th at the Red Lion Hotel 1401 Arden Way Sacramento.

According to the letter this is the No. 1 place to find out about trade tokens and related items (exonumia). Under one roof is a wide array of dealers and collectors, a great setting for obtaining information, including estimated values and possible offers to purchase.
