~Presidents Message~

PIZZA! PIZZA!! PIZZA!!! I always look forward to the September meeting. Oink!

As you may have noticed, the mornings are getting a little cooler. Hope you have been out there. As we did last month, all members who show their August finds will receive a "free" raffle ticket. There were 9 last month. Hope to see 10 or more this month.

This month's business will include adoption of the new logo and choosing a date for the October Club Hunt. It would be nice to have all club members present to endorse the choices. Hope to see you there.

~Bob Clark~

PS: Don't forget to bring your recycle stuff
